To: Alabama Automotive Manufacturing Plants and Service Providers

The Alabama Automotive Manufacturers Association (AAMA) was formed in 2001 to support the growth and continuous improvement of the automotive industry in Alabama. AAMA supports initiatives and works to provide solutions and resources that impact the industry. The organization also encourages collaboration to leverage best practices partnerships.

The State of Alabama has been very successful in growing the automotive industry. The way we work together as a team differentiates our state in a way that continues to draw new industry and grow our existing businesses. AAMA contributes to our unique way of doing business in Alabama.

As you look at future opportunities and challenges, we encourage you to consider reaching out to AAMA to help your organization connect with strategic partners and best practices.
