

SPEAKER BIOGRAPHY

Dave Welch
Sr. Quality Engineer
DENSO International America, Inc.

Dave Welch is a Senior Quality Engineer at DENSO International America, Inc. a role he has held for six years. Dave volunteered on AIAG's Traceability Work Group, which developed AIAG's Traceability Guideline, CQI-28. He has spent 12 years with DENSO, with his first six years at DENSO Manufacturing, MI.

Dave's 21 years of experience in the silicone rubber industry, with core experience in product, tooling, and process design, enabled him to present on fabric reinforced hoses at the 1998 SAE Conference.

Dave graduated from the University of Michigan-Dearborn with a Bachelor of Science in Mechanical Engineering and from Cornerstone University with a Master of Science in Management.
